

COMPANY PROFILE

Shandong Darling Pet Products Co., Ltd. is a fully integrated enterprise specializing in pet food research and development, production, sales, processing for others, and export. Situated in Linyi City, Shandong Province, the company leverages regional advantages as a "logistics hub," "meat industry hub," and "strong city in feed industry." With the aim of becoming a "global professional pet food manufacturer," the company has actively expanded its domestic and foreign ODM/OEM business. It has obtained EU TRACES system certification and US FDA certification, positioning itself at the forefront of the industry.

The company operates a professional technical research and development and product testing system, ensuring that the production of products fully complies with the HACCP and ISO9001 quality systems. We meticulously select high-quality food-grade meat raw materials, which undergo careful baking through advanced production processes.

The company specializes in producing snacks for dogs and cats, with its products being distributed in the United States, European Union countries, Canada, New Zealand, Japan, South Korea, Hong Kong and other regions. It has established long-term partnerships with major retailers such as Walmart and Hema to consistently deliver pure nutrition and scientifically healthy pet snacks to customers worldwide.
