FAQ

1. Can I get some samples?
A: Sure, it is our honor to offer samples in advance.

2. How does your factory control related quality?
A: We always give priority to quality in the process of production.

3. What about the lead time for mass production?
A: Honestly, it depends on the order quantity and the season you place the order. Generally speaking, production lead time is within 10-15days.

4. What's the information should I let you know if I want to get a full quotation?
A: Bag price depends on the bag type,size,material,thickness,printing colors,quantity.And Composition of products
